

1. Position Information

Civil Engineer – Assistant

Tina Hydropower Limited (THL) is responsible for the development of the country's largest Hydropower project at Tina River, Central Guadalcanal, Guadalcanal Province. The 15 MW project is the first large-scale infrastructure project to be developed as a public-private partnership in the Solomon Islands and is designed to help lower electricity prices by reducing dependence on expensive diesel generation through an increase in the share of renewable energy, while helping the country to meet its climate change mitigation targets.

THL is looking for a Civil Engineer (Assistant) to join the technical team and assist the Civil Manager throughout the construction phase of the project.

2. Qualifications

- University degree in Civil Engineering from a recognized Institution.
- Minimum of 1 to 2 years' experience on construction work projects or related work projects. Newly graduates are also encouraged to apply.
- Valid Solomon Islands Driver's License required.

3. Responsibilities

- Preparation/co-ordination/implementation of the review and approval of any documents including, but not limited to, design, by Solomon Islands Government, Solomon Electricity Authority and Concessional Finance Parties.
- Co-ordination/supervision of the implementation of design, construction and other relevant activities including, but not limited to, Access Road and Hydropower Facility, with THL's Owners engineer, EPC Contractor, its sub-contractor Solomon Islands Government, Solomon Electricity Authority and Concessional Finance Parties including their consultants.
- Ensuring that all terms of reference for any technical assistance or studies carried out under its Respective of Parts of the Project are consistent with and pay due attention to, the Concessional Finance Parties' Policy and Performance Standards, defined the Project Agreement and the Project Document
- Reporting the plan, progress and results to the Employer's verbal or written instructions to the Employer or the designated person by the Employer.

4. Employment Preferences

- Bahomea and Malango Region of Guadalcanal Province
- Solomon Islands National
- Multilateral Development Banks (MDB) Project (World Bank, Asian Development Bank) experience holder.

5. Contact

Interested applicants are required to submit the following documents in support of their application:

1. Cover Letter.
2. Curriculum Vitae (CV) that includes detail personal qualification and work experience.

The closing date for application is 25th July 2024.

Applications can be sent by email to **enviro.social.s@tinahydropower.com.sb** and copy **civil.m@tinahydropower.com.sb** or addressed to the Admin Manager and hand delivered to THL office at Pacific Ace Plaza, Kukum Highway.
